## HOW DO I SCHEDULE A TRAINING OR PRESENTATION?

Call us at 603-532-9888 or fill out a form at:  
[realitychecknow.org/information](https://realitychecknow.org/information)

Trainings and presentations can be customized to include additional content you may want to be sure is covered.

## HOW WILL THIS HELP MY EMPLOYEES?

Education and awareness are key to creating a supportive workplace culture. The more supervisors know about addiction and recovery, the more understanding they can be.

Experts can provide educational content to any staff to improve professionalism. Employees get needed support and become more productive, and employers help reduce stigma, raise awareness, and maintain a safe and productive workplace.
